Order Process

An enquiry by you on the CarLease UK & VanLease UK website is an expression of interest in order to proceed with the advertised price on the vehicle as shown. An enquiry does not create a contract between you and CarLease UK or & VanLease UK.

A contract to purchase, hire or lease a vehicle will be created only after the following:

1. You (whether an individual, sole trader, partnership or limited company) are successful in any credit check which CarLease UK or & VanLease UK carry out in accordance with the Privacy Policy as set out on the CarLease UK & VanLease UK website. If you carry out the search on behalf of a limited company you confirm that you have authority to carry out a credit search against the company and each director of the company.
2. CarLease UK & VanLease UK accept an order which you have signed, setting out the agreed specification and price of the vehicle required. When CarLease UK & VanLease UK have accepted an order, you expressly authorise CarLease UK & VanLease UK to order the vehicle on your behalf. Should you cancel your order after this, CarLease UK & VanLease UK reserve the right to charge a cancellation fee equivalent to 3 months' rentals.
3. You enter into a separate finance agreement with the finance company. CarLease UK & VanLease UK introduce you to a limited number of finance providers which have been carefully selected by us. For the avoidance of doubt, no contract to hire, purchase or lease exists between you and the finance company until the agreement is signed by you and the agreement has been accepted/made operational. Please also note that the finance providers that we use may make payment to us if you elect to enter into an agreement with them.

All delivery times provided to you either before, during or after the order process, are estimates only and do NOT form part of any contract between you and CarLease UK & VanLease UK. CarLease UK & VanLease UK accept no responsibility for any changes to delivery times which are notified to you and any changes do NOT constitute a variation to the contract.

Should the vehicle(s) you have ordered not be available, CarLease UK & VanLease UK will contact you either by email or telephone to discuss suitable alternatives. Any alternatives suggested may not meet your intended price or specification requirements. If the alternative is not accepted, you have the right to cancel any contract between you and CarLease UK & VanLease UK.
